CAREER OBJECTIVE

I'm a highly skilled and detail-oriented frontend developer with 2 years of experience in creating visually appealing and user-friendly websites. Proficient in HTML5, CSS3, and JavaScript, with expertise in popular frontend frameworks like React.js. I'm passionate about translating design concepts into seamless user experiences and optimizing web performance. I have a strong problem-solving ability as well as the ability to collaborate effectively with team members. I'm always looking forward to contributing my technical expertise and creativity to innovative projects in a dynamic and growth-oriented organization.

SKILLS

- HTML5
- JavaScriptES6
- Tailwind
- Responsive Web Design
- CSS3 / SASS
- Typescript
- Version Control (Git, GitHub)
- Communication Skill

WORK HISTORY

05 2022 - 01 2023 Lagos, Nigeria

Frontend developer/ fixaslab

- Played an integral role in the development team, contributing to the design, implementation, and testing phases of the admin dashboard project. Collaborated closely with UX/UI designers and backend developers to gather requirements and ensure seamless integration of frontend functionalities with the backend.

03 2023 - 06 2023 , Nigeria

Frontend developer/ Premium Models

- Collaborated with a cross-functional team to develop an advanced admin dashboard for managing data analytics and reporting. The dashboard facilitated efficient data visualization, streamlined user management, and enhanced overall administrative workflows.
